Website: www.carolinaturkeys.com

*Delivering Premium Quality the World Over*

Combining sophisticated science and technology with a keen knowledge of the turkey business, Carolina Turkeys' fully integrated operation has it all, from diagnostic labs, research farms and breeder farms to hatcheries, growing farms and feed mills. Production runs around the clock, with more than 20 million turkeys processed each year for distribution throughout the U.S. and overseas.

The result is the world's largest turkey processing plant, and most important, turkey of consistently superior quality.

## GOLDKIST

### PRESTAGE FOODS

Sales Manager  
PO Box 9 • St. Pauls, NC 28384  
Phone: +1-910-865-7721 • Fax: +1-910-865-6603  
Email: lcaricofe@prestagefoods.com  
Website: www.prestagefoods.com

For more than 20 years, Prestage Farms has been a major supplier of live hogs and turkeys to some of the largest processors in the country, totaling more than 900 million pounds annually.

Prior to January 2005 the plant processed only whole turkey for the previous management. Since then Prestage has added 2 cut up lines in order to pack whole turkey breasts and split breasts.

Prestage Foods' continuing goal is to produce and market top quality turkey products while it's operating practices ensure that air and water environmental quality is preserved.

### TYSON FOODS

Food Services Department International Sales  
1405 Mill Creek Church Rd. • Monroe, NC 28110  
Phone: +1-800-348-9766  
Email: greg.huett@tyson.com  
Website: www.tysonfoodsinc.com

Our plant in North Carolina produces fully cooked roasted chicken products. We produce both refrigerated and frozen products in whole bird or cut-up segments. Tyson Roasted Chicken is basted and roasted to perfection imparting a juicy, slow-roasted taste.
